EDUCATION

Tulane University — New Orleans, LA

***Bachelor of Science in Management**, Major: Marketing, Minor: Design, Independent Study: Glassblowing* — August 2022 – May 2026

EXPERIENCE

Gap Inc. – Banana Republic Factory Stores — San Francisco, CA

Merchandise Assistant, Men's & Accessories — May 2026 – Present

- Support four businesses, including Men's Apparel, Women's Accessories, Men's Accessories, and Jewelry by managing 3,500+ samples across current, upcoming, and future seasons while balancing concurrent product timelines and milestone readiness.
- Contribute to category hindsights, test strategies, line planning, assortment mapping, flow/markdown cadence, and commercial planning by using margin, units, inventory, retail, AUR, and AUC to evaluate category health, identify performance opportunities, and inform assortment, testing, and flow decisions.
- Partner cross-functionally with Merchandising, Inventory Management, Product Development, Design, Marketing, Styling and vendors, gaining end-to-end exposure to how customer insights, creative direction, inventory, and financial targets shape the factory/value model.
- Take on expanded merchandising and product development ownership within Jewelry and Women's Accessories, partnering directly with the Head Merchant on trend research, vendor meetings, concept development, product ideation, & color/material direction on a lean team without dedicated Women's Accessories design support.

Independent Designer — San Francisco, CA

Product, Lighting, Jewelry & Brand — 2023 – Present

- Develop & design small-batch lighting, jewelry, apparel & brand identities from concept through execution, balancing customer positioning, creative direction, material sourcing, budgets, & production feasibility.

Tulane Student Organization Center — New Orleans, LA

Allocation Committee Chair - Student Organization Ambassador — August 2023 – May 2026

- Oversaw allocation of over $2 million in student organization funding, evaluating proposals and influencing funding decisions based on institutional priorities such as equity, cost efficiency, and overall student body impact across 200+ organizations.
- Designed and implemented 20+ budget policies governing funding requests, travel expenditures, and late submissions while advising 200+ student organizations on financial planning, logistics, large-scale event budgeting, and responsible fund utilization.
- Streamlined internal communication and documentation by standardizing funding guidance, policy information, and approval processes, improving clarity for student leaders, strengthening compliance, and increasing procedural transparency and consistency.

The TJX Companies — Framingham, MA

Apparel Design & Development Intern — May 2025 – Aug 2025

- Supported end-to-end seasonal product development for a $60 billion business across categories including women's bottoms, dresses, sweaters, athletics, basics, accessories, sleep, and intimates. Conducted trend research, created and revised technical CADs in Illustrator and CLO3D, assisted in the development of detailed tech packs to ensure accuracy and on-time delivery.
- Maintained organized digital design libraries and sample documentation, preparing materials for fit sessions and design meetings while tracking revisions to ensure clear cross-functional communication and streamlined workflow.
- Inspected garment samples for construction, trims, and color alignment, and developed a sustainability initiative proposing scrap-based packaging and biodegradable material solutions, integrating vendor collaboration, cost considerations, and waste-reduction strategy across over 250 apparel and home products.

Buffalo Exchange — Cambridge, MA

Buyer — May 2024 – August 2024

- Evaluated and purchased inventory based on customer demographics, trend relevance, seasonality, brand value, and garment condition; identified demand for wider silhouettes, statement accessories, and vintage graphic tees, adjusting buying decisions to help drive a 15% increase in sales and higher foot traffic.
- Collaborated with the buying team on intake and assortment strategy and trained newer team members on product evaluation and buying criteria, helping maintain consistent purchasing decisions while supporting Buffalo Exchange's circular business model.

LEADERSHIP

Tulane University Fashion Club — New Orleans, LA

Public Relations Coordinator: Outbound Relations & Speaker Series — August 2024 – May 2025

- Led external relations, industry outreach, and speaker programming, coordinating 200+ attendee events with leaders including Stuart Weitzman and Genesis Webb while managing partnerships, sponsorships, logistics, & media promotion.

Kappa Alpha Theta Fraternity, Alpha Chi Chapter — New Orleans, LA

Banner Committee Chair — October 2023 – May 2026

- Led a 25-member team in producing large-scale event banners within a fixed $50 budget, making strategic tradeoffs across materials, design, and timelines to deliver high-quality work while maintaining organizational and Panhellenic standards.
